Dear Editor,

Thank you for forwarding the reports on our manuscript entitled **manuscript title**.

We include a full response to the referees further below but here we highlight the major changes:

- Point 1
- Point 2

Yours sincerely,

Lorenzo Peri

# Referee 1

*General points.*

General Response.

1. *First point.*

First Response.

2. *Second point.*

Second Response.

## Referee 2

(The mean one)

1. *Can you have figures?*

We can have figures in the text.

We can have figures!

2. *Can you have tables?*

And we can have also tables.

cell1	cell2	cell3
cell4	cell5	cell6

We can have tables!

3. *Can you have citations?*

Yes, we can even have citations. Here is the T<sub>E</sub>Xbook [1]!

4. *Can you reference sections or equations form the manuscript?*

Yes I can use `\external[prefix]{document-name}` to reference both original and revised versions without collisions! Section 1: Original Section of the original is NOT Section 1: Revised Section of the revised manuscript!
